

Letter of recommendation

To whom it may concern,

The Board of Directors of the Centro Cultural Ernesto Sábato is pleased to recommend Silvina Batista, a conceptual photographer and visual artist whose work demonstrates a distinctive and thoughtful approach to contemporary photography.

Ms. Batista has been an active participant in the exhibitions organized by our institution and presented her first solo exhibition at the Centro Cultural Ernesto Sábato. Her photographic practice is characterized by a strong conceptual vision and a refined artistic sensibility.

We are confident that her work will be of interest to galleries, curators, and collectors engaged with contemporary photography at the international level.

Sincerely,

Board of Directors Centro Cultural Ernesto Sábato
